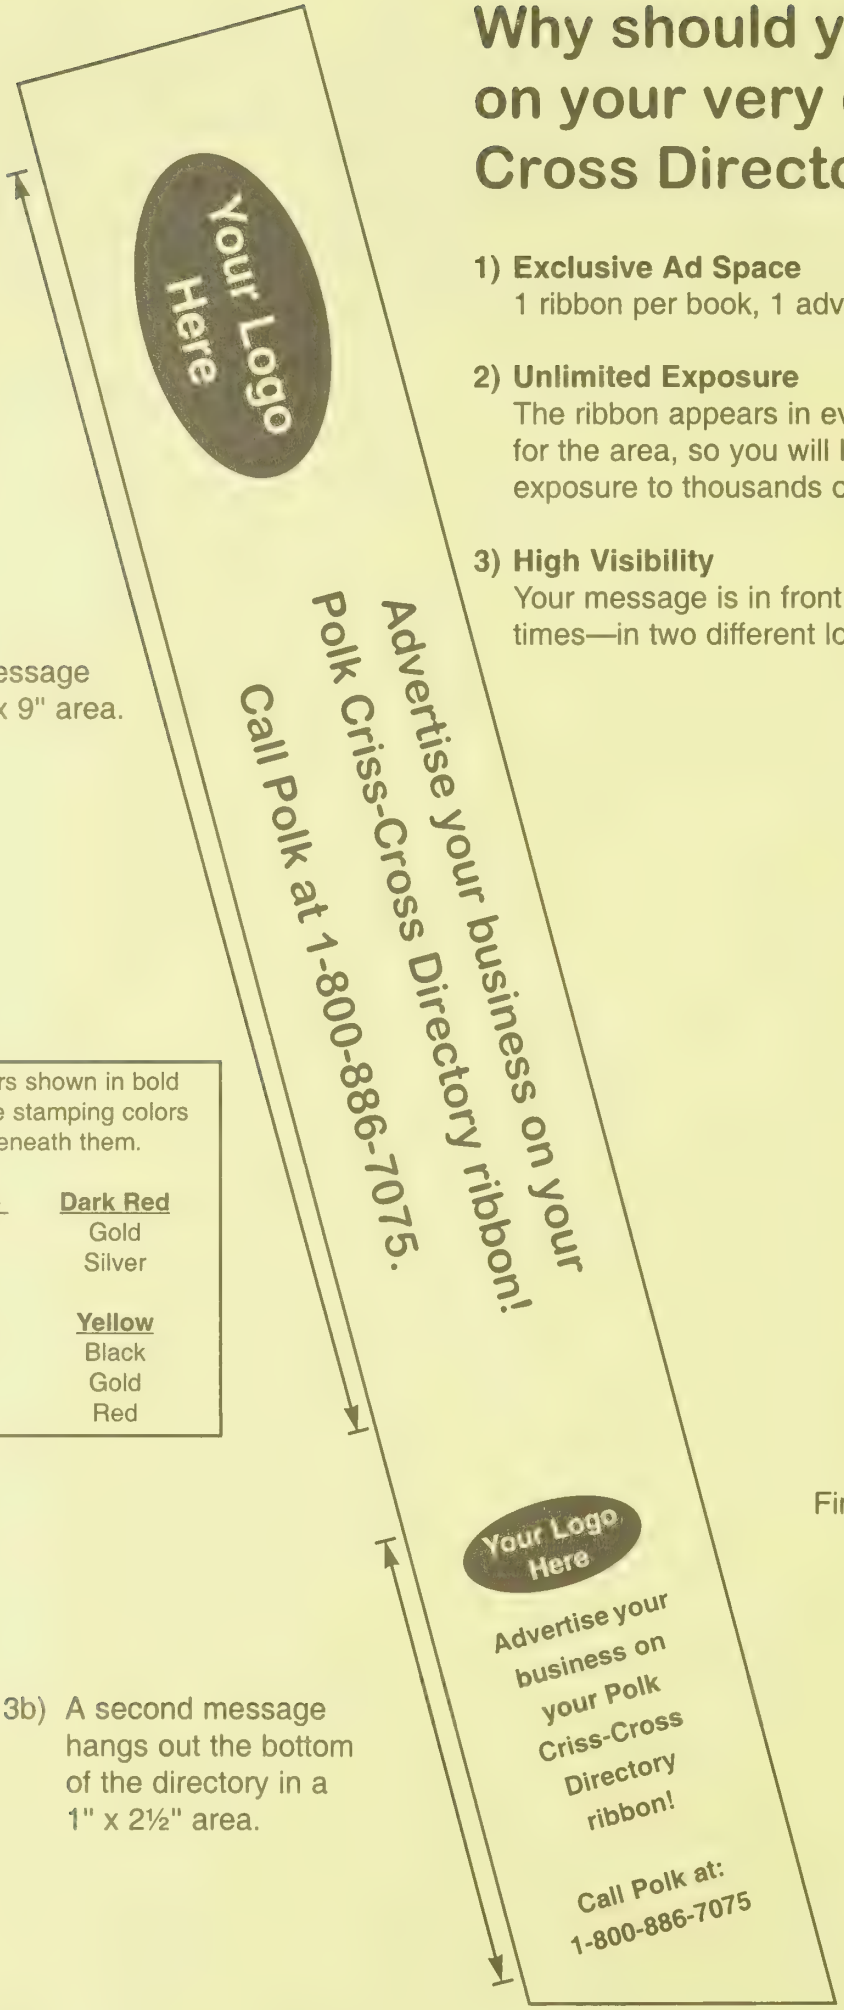
Why should you advertise on your very own Polk Criss-Cross Directory ribbon?

1) Exclusive Ad Space
1 ribbon per book, 1 advertiser per ribbon.

2) Unlimited Exposure
The ribbon appears in every book published for the area, so you will have the potential exposure to thousands of users daily!

3) High Visibility
Your message is in front of the user at all times—in two different locations.



3a) Your message in a 1" x 9" area.

3b) A second message hangs out the bottom of the directory in a 1" x 2½" area.

FYI
I cross-referenced this number in the Polk Criss-Cross Directory and found that 422-4242 belongs to Gary Wilson who lives at 809 S. 4th Street in Appleton. He owns his home and lives in a neighbourhood with median home values of $68,000.

Gary's nearest neighbours are Bill & Edith Smithton, 803 S. 4th Street, phone #422-9021, & George & Mary Johnson, 815 S. 4th Street, phone #422-5104.

The Smithton's & Johnson's both own their homes and would be great prospects for lawn care services as well.

(Gary's wife's name is Ann).

Mike

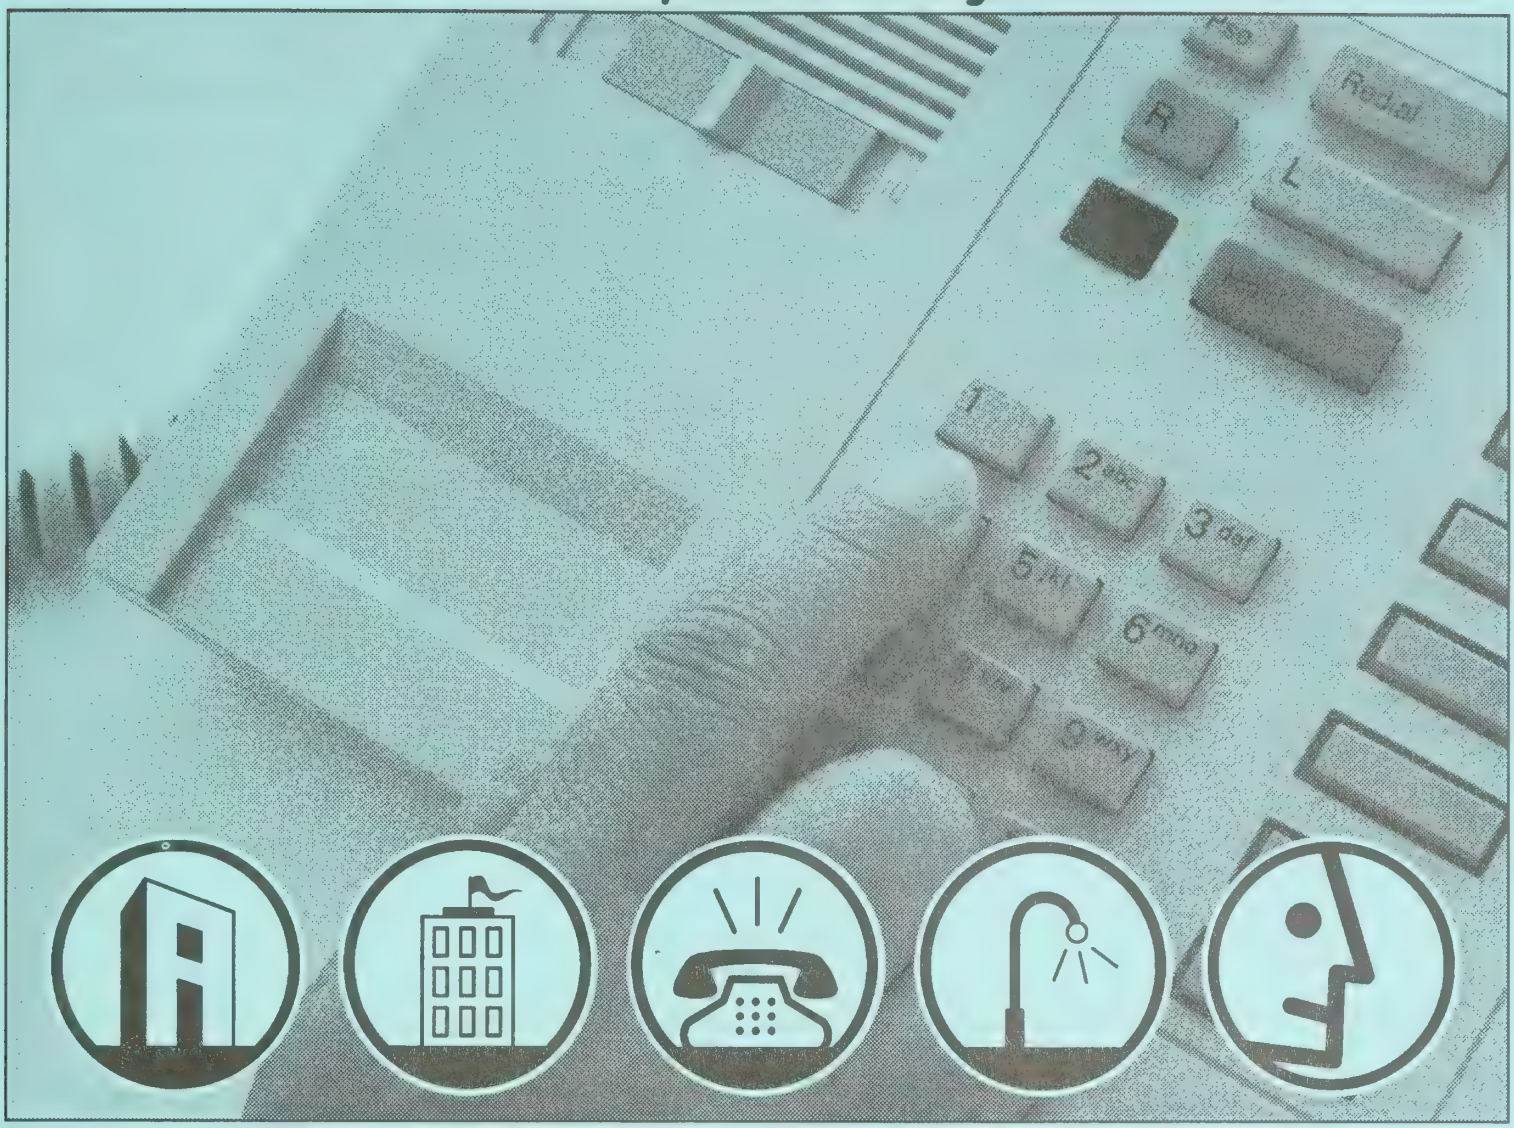
Telephone Key



The Telephone Key will help you:

Quickly identify the callers name and address when you only have the phone number.

All businesses and residents are listed numerically by telephone number with business listings easily identified in all capital letters.

Listing includes the telephone number, name, address, identification of new neighbours, and community abbreviation.
